AT THE BOYS & GIRLS CLUB OF BARTLESVILLE CHILD SAFETY IS #1!

We work every day to create a safe and fun environment so kids can have every opportunity to be successful in life. There is zero tolerance for inappropriate behavior, including child sexual abuse or misconduct, and we provide significant resources to ensure this stays a priority.

Culture of Safety

The Boys & Girls Club of Bartlesville continually updates safety policies, programs, and training for our staff and volunteers. These policies are designed to promote child safety and protect young people from being harmed by threats that exist in society.

Safety Policies

The Boys & Girls Club of Bartlesville has a comprehensive safety policy that protects youth - including, but not limited to: supervision, transportation, communication, and prohibiting 1-on-1 contact between members and staff or volunteers.

Mandatory Background Checks

The Boys & Girls Club of Bartlesville conducts comprehensive criminal background checks every 12 months for all employees, as well as volunteers who have direct and repetitive contact with children. All background and sex offender registry checks must meet or exceed Boys & Girls Clubs of America (BGCA) membership requirements.

Scan In/Out Policy

The Boys & Girls Club of Bartlesville requires all members to scan in and out each day with their KidTrax Club ID number. In addition, parents understand that we are a drop-in program and that members may leave the premises at will. Currently, once a child has scanned out of the building using their Club ID number they cannot scan back in.

Mandated Reporting

The Boys & Girls Club of Bartlesville staff and volunteers are all mandated reporters. All adults, age 18 or older, in the state of Oklahoma are mandated reporters.

Mandatory Annual Safety Assessments

The Boys & Girls Club of Bartlesville conducts a safety assessment each year to ensure we continually make improvements to the Club's safety

Safety Trainings

Ongoing training and supervision of staff is critical. Boys & Girls Club of Bartlesville staff participate in a wide variety of child safety trainings each year. We also engage leading third-party safety experts, such as Praesidium, to provide targeted trainings.

State and Local Laws

We comply with federal, state and local safety laws, including those impacting facilities and vehicles.

Partnerships

For families in need of assistance, the Boys & Girls Club of Bartlesville has an embedded DHS representative that can connect them to resources they may need. In addition, the Club works with Grand Lake Mental Health and our families to make referrals for mental health services.
