CHECK-IN / CHECK-OUT PROCEDURES

Drop-In Program

The Boys & Girls Club of Dewey operates as a Drop-In program for school-age kids and teens. This means that members may come and go at their own discretion. While the Club makes every effort to keep all members in the facility or on-site throughout the program, if a member chooses to check themselves out then they are able to do that. Members who choose to leave the Club premises on their own will not be allowed to re-enter the Club on the same day. Please advise Club staff if your child is not allowed to leave.

Checking In

All members must enter the building through the front lobby and check in with the front desk staff. Our members are tracked through a membership management system, and this is how we know who is in our facility at any time. Please do not allow members to exit your vehicle and go straight to the field or other outdoor spaces without checking in.

During the After School program we will have all members arriving at roughly the same time. In order to ensure they are all checked in accurately, we ask that parent/guardians do not call the Club or attempt to pick up their child between 3:45-4:15pm. We understand this will not always be possible but appreciate your effort in helping us safely complete the check-in process.

Checking Out

Only Club staff and volunteers are allowed in the Club facility. Parent/guardians must remain in the lobby or outside of the building while waiting to pick up members. All members MUST check out with the front desk. Please do not pick up your child from any of the Club's outdoor spaces without sending them in to check out.

It is the parent/guardian's responsibility to know what time the Club is closing each day and to ensure their child is picked up BEFORE closing time. Late pick-ups can incur fees or loss of spot in the program. Below are the two ways that guardians can pick up their members:

Lobby

Parents/guardians must come to the front lobby and let a staff member at the desk know which member they are picking up. Staff will send the member to the front lobby. Only Club staff and official volunteers are allowed inside the facility, parents/guardians must remain in the lobby or outside the facility during pick-up.

Curbside

Parent/guardians of teen members can also call the Club at 918-534-8209 and let the front desk staff know which member they are picking up once they are in the parking lot. Those members can then check themselves out and come to the vehicle.

Please do not call and ask for members to be waiting outside for their rides. Once a member checks out of our facility, they should be leaving the property.

Custody Agreements / Protective Orders

If there are special circumstances for the safe release of a member during pick up, please call the Club at 918-534-8209 and speak with the Unit Director. A copy of the appropriate court documents will be needed.

Late Pick-Up

If a member remains at the Club after closing, staff will call the emergency contact numbers for the member. If no contact can be reached and the member remains at the Club longer than 30 minutes, the Boys & Girls Club staff may call the local police department to assist the child.

Late fee charges occur 5 minutes after closing time and are \$1 per minute per child. It is the parent/guardian's responsibility to know when the Club closes each day their child attends.

BEHAVIORAL AGREEMENTS

Member Responsibilities

Members at the Boys & Girls Club of Dewey are expected to:

- Respect and obey Club staff
- Avoid the physical or verbal abuse of others
- Participated in planned activities led by Club staff
- Use appropriate and acceptable language at all times
- Be kind, considerate, and accepting of others
- Respect others' property
- Only be in areas supervised by adult Club staff
- Leave personal items at home – the Club is not responsible for any lost, stolen, or damaged items

Behavior Support

It is the hope of the Boys & Girls Club staff to resolve issues through conversation and cooperation with members. However, these issues sometimes require further intervention and support, possibly even suspension from Club programs. The following is meant to be a helpful guide for parents on how the Club addresses those issues, but all decisions on behavior support will be up to Club staff on a case-by-case basis. Generally speaking, we follow what is outlined below.

Tier One – Corrective Action from Staff or Note/Call to Parent

Includes, but is not limited to:

- Non-participation in planned activities
- Being disrespectful to other members or staff
- Inappropriate clothing
- Inappropriate language

Tier Two – Suspension from Program

Includes, but is not limited to:

- Continued offenses from Tier One, especially following attempted correction by staff
- Misbehavior on field trips
- Incorrect use of Club facilities, technology, or supplies

Tier Three – Automatic Suspensions

Includes, but is not limited to:

- Fighting (all parties involved)
- Harassment (sexual, verbal, or otherwise)
- Theft of property
- Repeated and targeted bullying
- Damage to Boys & Girls Club property
- Possession of drugs, alcohol, or weapons
- Members who are a flight risk (leaving the facility without authorization or check out)

Every effort will be made to communicate with parent/guardians throughout all behavior support processes, whether through behavior report document sent home with members or phone call from Club staff. We appreciate the role our family's play in helping reinforce the expectations and rules at the Boys & Girls Club to its members at home!

MEDICATION AND ILLNESS

When a Member is Sick

If a member has a fever of 100.3 or higher, has vomited, or is complaining of other symptoms a parent/guardian will be contacted and asked to pick them up immediately. Members should not return to the Club until all symptoms have subsided.

Emergencies

In the event of a medical emergency, the Boys & Girls Club may determine a member needs to be evaluated and treated by a doctor or nearest emergency center. Reasonable effort will be made to contact me or someone on my child's emergency contact list in this event, so we ask all parent/guardian's to keep contact information updated at all times.

Medication

The Club cannot administer any medication to members without a signed Medication Release Form. This includes prescription medication as well as over-the-counter medication. Members must initiate a request for medication from an adult Club staff responsible for storage and distribution of medication. Medication could go without being distributed if a member does not request it from a Club staff.

Prescription medication must be furnished by the parent/guardian with the original label prepared and attached by a pharmacist. The label must reflect the name, strength and dosage of the medication. Non-prescription medication must be in the original container which must reflect the name and strength of the medication. All medications should be delivered to the Club's front desk, in person, by a parent/guardian of the member. The Boys & Girls Clubs of Bartlesville, the Board of Directors, staff members/employees are not liable to the member or the member's parent/guardian for civil damages for any personal injuries to the member which result from acts or omissions of Club staff in administering the medicine.

Club staff will do their best to inform parent/guardian when medicine quantity is getting low, but responsibility of refills is on guardian. Any time a medication is checked back out to a parent/guardian, a new Medication Release Form must be filled out in its entirety.

TRANSPORTATION

All membership packets include a waiver for release of transportation. This must be checked for any member to be transported in a Club vehicle at any time. Even if your child's route is conducted by the school district, there may be times where the Club is asked to help transport those students and anyone missing the checked transportation waiver in their registration will not be allowed to ride. Please be sure this is checked in the registration packet.

COMMITMENT TO SAFETY

We work every day to create a safe and fun environment so kids can have every opportunity to be successful in life. There is zero tolerance for inappropriate behavior, including child sexual abuse or misconduct, and we provide significant resources to ensure this stays a priority.

Culture of Safety

The Boys & Girls Club of Dewey continually updates safety policies, programs, and training for our staff and volunteers. These policies are designed to promote child safety and protect young people from being harmed by threats that exist in society.

Safety Policies

The Boys & Girls Club of Dewey has a comprehensive safety policy that protects youth - including, but not limited to: supervision, transportation, communication, and prohibiting 1-on-1 contact between members and staff or volunteers.

Mandatory Background Checks

The Boys & Girls Club of Dewey conducts comprehensive criminal background checks every 12 months for all employees, as well as volunteers who have direct and repetitive contact with children. All background and sex offender registry checks must meet or exceed Boys & Girls Clubs of America (BGCA) membership requirements.

Scan In/Out Policy

The Boys & Girls Club of Dewey requires all members to scan in and out each day with their KidTrax Club ID number. In addition, parents understand that we are a drop-in program and that members may leave the premises at will. Currently, once a child has scanned out of the building using their Club ID number they cannot scan back in.

Mandated Reporting

The Boys & Girls Club of Dewey staff and volunteers are all mandated reporters. All adults, age 18 or older, in the state of Oklahoma are mandated reporters.

Mandatory Annual Safety Assessments

The Boys & Girls Club of Dewey conducts a safety assessment each year to ensure we continually make improvements to the Club's safety

Safety Trainings

Ongoing training and supervision of staff is critical. Boys & Girls Club of Dewey staff participate in a wide variety of child safety trainings each year. We also engage leading third-party safety experts, such as Praesidium, to provide targeted trainings.

State and Local Laws

We comply with federal, state and local safety laws, including those impacting facilities and vehicles.

Partnerships

For families in need of assistance, the Boys & Girls Club of Dewey can connect them to a Bartlesville DHS representative and resources they may need. In addition, the Club works with Grand Mental Health and our families to make referrals for mental health services.
